ADOPTION'S THE BEST OPTION!

Adopt a loving Boxer. Go to BoxerRescue.com and find the perfect match for you and your family.

Q. Why adopt a Boxer?

A. Boxers are intelligent and make great companions.

Q. How are Boxers with Children?

A. Boxer's make excellent family additions, as they are very gentle with kids. (As with all other Breeds, children need to be supervised when with Boxers.)

Q. Why adoption?

A. Because Boxer Rescue has so many Wonderful and Needy Boxers, already evaluated to meet your wishes. Adoption also helps to eliminate Cruel Puppy Mills that would benefit from purchases at Pet Shops.

Q. Why not purchase from a Breeder?

A. Not all Breeders are reputable. Backyard Breeders just add to an overpopulation of dogs.
